Good afternoon,

I received the below request for a briefing on the Montrose Superfund Site/PV Shelf from City of Rancho Palos Verdes on behalf of Rancho Palos Verdes Mayor Alegria. Attached is the response we had sent to Mayor Alegria offering a meeting. My understanding is the Mayor will be on the call, so we may need to pre-brief Deborah. Is there a time preference for scheduling both the pre-brief and briefing between next week (4/19-4/23), or the week after (4/26-4/30)?

Thanks!

Julia

Hi Julia,

I hope all is well. I just sent over a letter of support for legislation concerning the DDT dumping site, which Deputy Regional Administrator Jordan was CC'd on. I also have EPA Administrator Michael Regan and EPA Office of Water Principal Deputy Assistant Administrator Radhika Fox on the CC list and I was wondering if you might know who on their staffs I should send letters to.

Also, concerning a meeting to discuss the DDT issue, are there some good potential days/times next week, or the following week?

Let me know, thank you.
